

Joy Seeker Festival

On behalf of
Lee and Nicole's family,
Thank You to everyone that
helped, contributed, performed,
and supported the Joy Seeker Festival
held June 18, at Lorne Mountain Community Center.

All proceeds raised (\$5,000!) went toward **BYTE**
and the **Nicole Edwards Youth Leadership Fund.**

The Lovefest featured an eclectic, genre bender international venue - as only Nicole would have wished - a beautiful Yukon summer day filled with music, dancing, and laughter. Musical performances honoured Nicole and featured several covers of her original songs such as:

- A 2 part choral version of **Love, Serve, and Uplift** by the **Love Serve and Uplift Choir** led by Andrea McColeman
- **Claire Ness** with a sultry rendition of **Lychee Martini**
- An early, funny collaboration from one of Nicole's music students- **Jack Walcher: Pigs Invade**
- **Stephen Clarke aka Fraser Canyon and Nick Mah – Viens dans mes Bras**
- A beautiful piece about mindfulness featuring Nicole's **Breathe in Peace** by **Christine Klaassen St. Pierre**

♥ THANK YOU ♥
